

# **CENTRAL WEIGHTS & MEASURES CANTON, OHIO - MAY 2019**

**Stark County Weights and Measures QR CODE Sealing Program**

# So what is a QR Code (Quick Response Code)?

- **QR code** (abbreviated from **Quick Response Code**) is the trademark for a type of [matrix barcode](#) (or two-dimensional [barcode](#)) first designed in 1994.
- A barcode is a machine-readable optical label that contains information about the item to which it is attached. In practice, QR codes often contain data for a [locator](#), identifier, or [tracker](#) that points to a website or application.
- A QR code consists of black squares arranged in a square grid on a white background, which can be read by an imaging device such as a camera, and processed until the image can be appropriately interpreted. The required data is then extracted from patterns that are present in both horizontal and vertical components of the image.
- QR codes can be used on various mobile device operating systems.

# A look at all the different seals with/without QR Codes!

**Fuel Feedback?**

This station must display a current Texas Department of Agriculture registration that is accessible to customers. To report an expired registration or file a complaint on fuel or this device, contact us at:

# Stark County, OH Seals:

# How to make the most of the QR Code:

- Inspection Results:
  - Wanted live data of the device the Seal is attached to.
    - Establishment
    - Address\Phone\Email
    - Weighing and Measuring Device
    - Action Taken

# How to make the most of the QR Code:

- File Complaint
  - What are some of the issues when receiving complaints?
    - Pump number for gas pump complaint( when facing the station farthest from the left)
    - Location ( You know, the station on that one corner?)
    - Device type
    - Contact information of person making the complaint.

The Seal is designed and completed.

The seal is a rectangular label with a blue background and white text. On the left side, there is a white vertical bar containing the number '0001'. The main text on the seal reads: 'INSPECTED & SEALED' in large, bold, white letters at the top. Below that, 'Division of Weights & Measures' in a smaller font. To the right of this, the year '2019' is displayed in a large, white, serif font. In the center, the name 'ALAN HAROLD' is written in large, bold, white letters, with 'ALAN' in a smaller font to the left. Below the name, it says 'STARK COUNTY AUDITOR' and the phone number '(330) 451-2377'. At the bottom of the seal, there is a QR code and the instruction: 'USE SMARTPHONE TO SCAN BARCODE ON THE RIGHT TO SEE THIS DEVICE'S INSPECTION RESULTS OR FILE COMPLAINT'. Below the seal, the URL <http://qr.starkcountyohio.gov/wm/20190001> is provided. Three blue arrows point to specific parts of the seal: one from the left points to the '0001' number, one from the right points to the year '2019', and one from the bottom points to the QR code.
